

Tamil Civil Society Forum (TCSF)

Civic alliance of Northern-Province Tamil clergy, academics and professionals issuing submissions on accountability, demilitarisation and missing persons.

The Tamil Civil Society Forum (TCSF) is a civic alliance of Northern-Province Tamil clergy, academics, lawyers and professionals that issues collective public submissions on accountability, demilitarisation, land restitution and the missing-persons file. Its statements are part of the standing Tier-B Tamil-source record cited by Adayaalam, PEARL, ITJP and the OHCHR Sri Lanka Accountability Project.

§1 Standing

TCSF statements are habitually addressed to the UN Human Rights Council, the Sri Lankan government, foreign embassies in Colombo, and the international human-rights community. The forum operates without electoral mandate but with cross-confessional convocation.

§2 How TLTE relates

TCSF is cited as a Tamil-source on-island civic record. TLTE does not duplicate TCSF convening, does not claim to speak for the Northern Province on-island constituency, and routes its readers to TCSF directly.
